TO MR. NUTTING

WE WISH to congratulate the Board of Education on their good fortune in securing Mr. Nutting as superintendent of the Moline public schools. The splendid spirit which existed during his years as principal of Moline high is certain to exert a lasting influence on the whole educational system of our city.

The high school has undergone many changes since Mr. Nutting came here in 1905. To-day Moline high stands among the first-class schools in our state. The high school is a fitting monument to Mr. Nutting's fine leadership which played such a vital part in its development. When he left us last year to become superintendent of schools, each of us felt a great personal loss. Not only was he a fine principal, but he proved himself a real friend to every student. Although he no longer maintains direct control of the high school, that spirit with which he endowed it still lives on.

TO MR. CRAKES

IT WAS indeed gratifying to those who have a sincere interest in the welfare of Moline high school when Mr. Crakes was secured last year for principal. No one could be better fitted for the position. He possesses a high quality of leadership together with the ability which is so necessary in conducting an institution like ours. His broad experience enables him to cope with the problems which a principal frequently must solve.

During his first year at Moline high he has displayed unusual ability in maintaining a smoothly operating educational system. It is reassuring to know that the task of guiding the destiny of our school rests in such competent hands. Much of his success is due to his friendly understanding of the students. We, the class of 1932, desire to tender to Mr. Crakes our sincere wishes for many years of continued success at Moline high.

"I know the girls like me, but I can't stand them."

EDITOR'S NOTE

When I was elected to the post of editor last year I decided then that I would give my classmates an annual which would please the majority, if possible.

As time went on I realized that the editor and staff have many difficulties to overcome. We have tried to conquer these obstacles and put out a book which we hope will please you.

Because of financial difficulties we have had to cut the book to some extent, but we still feel that it is a book befitting a school of our size.

I want to thank the staff who have worked hard and helped me to edit this yearbook.

WOODROW MAGNUSON.

WANTED TO KNOW

What Bill Bohman sees in Ruth Fors.

What Ruth Fors sees in Bill Bohman.

Why Olofson never wears a hat.

How Ann Swanson got that way.

Why Sevie Ed didn't come to the Literary Banquet.

The telephone numbers of those two Galesburg girls.

How many "tardy" excuses the office force really believes.

Who stole the A. D. C. play money.

Why Don Scott is never late to school.

If Grossman ever drives his car on rainy days.

Why Gus Larson wasn't in the Minstrels.

Why the athletes all go around with adhesive tape on their faces.

How the Junior girls will ever get along next year without the Senior boys.

FELLOWSHIP CLUB

OFFICERS

<i>President</i>	ROBERT OAKLEY
<i>Vice President</i>	ROGER HAGEDJECK
<i>Secretary</i>	LACHLAN SETTLE
<i>Treasurer</i>	TRUMAN N. JONES

The Fellowship Club is an organization composed of senior boys. It is organized to promote fellowship among the members. Although the club was slow in organizing, the necessary quota of forty boys was reached. Each month a dinner meeting is held, and once during the year the club meets with the After Dinner Club to hold a dinner dance. Each spring a minstrel is presented as one of the foremost dramatic productions of the school year. Mr. Jones, the adviser, and the club's officers are responsible for the enjoyment derived from the season's activities.

AFTER DINNER CLUB

OFFICERS

<i>President</i>	RUTH ERICKSON
<i>Vice President.</i>	LETHA JONTZ
<i>Secretary-Treasurer</i>	EVELYN FRASIER
<i>Advisers...</i>	MISS DAY AND MISS LIND

The After Dinner Club is made up of senior girls who meet once a month in the M. H. S. Cafeteria. A program chairman provides a speaker and a program for each meeting. Chairmen for the meetings were Alice Lusty, Katharine Van Meter, Mary Ruth Duncan, Ann Edene Swanson, and Katherine Flick.

The high lights of the year are those meetings at which the mothers are entertained at the Mothers' and Daughters' Banquet and the joint meeting of the A. D. C. and Fellowship clubs held in May in the form of a dinner dance.

This year, under the direction of Miss Garst, the club very successfully presented Louisa May Alcott's beloved story, "Little Women." The settings and costumes were all characteristic of pre-Civil War days, adding considerably to the effect. Miss Lind and Miss Day, the advisers, are to be heartily congratulated for the achievements of the year.

BAND

The band, which is made up of students from all the classes of Moline High, is directed by Mr. Lee Barnett, who also leads the orchestra. Practices are held twice each week. Besides playing at football and basketball games, the band gives special concerts before the assemblies of the Senior and the Junior High Schools. Any student who so desires may become a member.

ORCHESTRA

All students are eligible for membership in the Moline High School Orchestra. Practice is held once a week after school for a double period under the direction of Mr. Barnett. Credits are given for membership in the orchestra if attendance and work are up to standard.

This year Mr. Barnett had only twenty protégés, whereas in former years he has had approximately thirty. The smallness of the orchestra is attributed to the fact that there were no newcomers because of the new Junior High School system.

The orchestra has made remarkable progress, having appeared at the mid-year and June Commencement exercises and also before the Junior and Senior High School assemblies.

BEGINNERS GIRLS' GLEE

Girls who have had no previous experience in vocal work are eligible for membership in the Beginning Girls' Glee Club.

The purpose of this club is to give fundamental training and experience in music. This organization with its excellent training furnishes material for future advanced clubs.

Under the direction of Miss Dunlap, this group of girls appeared on several programs in roll call and also took part in the operetta, "Up in the Air," presented by the Music Department May 13.

ADVANCED GLEE

The Advanced Girls' Glee Club, under the direction of Miss Dunlap, is composed of girls who have had previous training in vocal work.

This year the girls put on a Washington bicentennial program in which they sang hymns and songs to represent the eighteenth century.

They also sang at the First Congregational Church, Methodist Church, John Deere and Central Junior High Schools, and at the mid-year commencement exercises.

SENIOR HI-Y
 OFFICERS AND MEMBERS

SENIOR HI-Y

OFFICERS

<i>President</i>	ALLAN HALLBERG
<i>Vice President</i>	CHAS. YDEEN
<i>Secretary</i>	CARL STEINCRAUS
<i>Treasurer</i>	BILL BOHMAN
<i>Adviser</i>	MR. EKBLAD

The Senior Hi-Y is an organization of senior boys, meeting weekly at the Y. M. C. A. The purpose of this organization is to promote healthful activities, friendships, and Christian fellowship among boys of the senior class. The meetings consist of interesting speakers and diversified programs. Several parties and banquets are held throughout the year. Usually, after the meetings, members take a dip in the Y pool.

Row 1: K. Beck, M. Anderson, J. Bell, H. Van Meter
 Row 2: J. Erickson, R. Paradise, P. Wright, C. Fox
 Row 3: E. Auerbach, M. Nelson
 Row 4: J. Erickson, C. Erickson, D. McCall

JUNIOR HI-Y

OFFICERS

<i>President</i>	HERB VAN METER
<i>Vice President</i>	WALLY HELLBERG
<i>Secretary</i>	DON MCCALL
<i>Treasurer</i>	AL WINHOLDT
<i>Adviser</i>	MORRIS STEFFANSON

The Junior Hi-Y is composed exclusively of junior boys, who meet each week at the Y. M. C. A. for the purpose of promoting clean sports, better living, and higher moral standards. The meetings are made up of speeches, informal discussions, and other entertainment. After meetings the boys sometimes swim in the Y pool. Several parties are held during the year.

SOPHOMORE HI-Y

OFFICERS

President

RICHARD BEITEL

Vice President.

CALVIN AINSWORTH

Secretary .

GEORGE RAILSBACK

Treasurer

BUD LUNDAHL

Adviser . .

. . . MR. PIERSEL

The Sophomore Hi-Y Club, like its companion clubs, the Senior and Junior Hi-Y, is formed to promote general welfare among sophomore boys. There is a speaker at each meeting, and after the talk the boys not only discuss their own opinions on the subject. After the meeting the members usually indulge in a swim.

GIRL RESERVE HI-Y

OFFICERS

<i>President</i>	PHYLLIS McDANNELL
<i>Vice President</i>	CAROLINE VAN METER
<i>Secretary</i>MARY HRUSOVAR
<i>Treasurer</i>MARIAN KREBS

Sponsors

Mrs. T. Van Meter, Miss Amy Johnson, Mrs. H. C. Anderson,
Mrs. Krebs, Mrs. Hans, Mrs. Harold Engstrom,

Membership in the Girl Reserve Hi-Y is open to all high school girls. The purpose of the club is to make closer association and fellowship possible. Meetings are held the second and tenth Monday every month in the Y. W. rooms.

This year the club's program was worked out in the form of a patchwork quilt, each meeting being represented by a block in the quilt. All activities are supervised by the following committee chairmen: Jane Hvittfeldt, Betty Nelson, Barbara Harper, Mary Elizabeth Hans, Jane Schofer, Janice Lethin, Caroline Van Meter, and Marjorie Baumgartner.

The club's many activities during the past year include interpretative dancing, deck tennis, swimming, handicraft, and hiking. The girls have held many clever and unique parties, including a Leap Year Party, also teas, style shows, and a Mother-Daughter Banquet.

DOUBLE QUARTETTE

The double quartette was organized in October, 1931, by Miss Ina Penlap with the intention that a quartet go to Montana to sing in the All-State Chorus, which met the week of November 16 to 20. However, only six of the eight were accepted as members, and they made the trip, along with 200 other representative singers of Illinois High Schools.

Interest aroused by this event was such that the group has continued its work enthusiastically ever since. They have frequently been invited to sing for various occasions and have been able to respond with equal pleasure to their audiences and to themselves.

Four of the group are to return next year, and a second quartette is already under way, preparing to fill places made vacant by graduating seniors.

DRAMATIC CLUB

OFFICERS

<i>President</i>	WOODROW MAGNUSON
<i>Vice President</i>	ROBERT OAKLEY
<i>Secretary</i>	MARY FRANCES BOZEMAN
<i>Treasurer</i>	MARY JANE KIRK
<i>Advisers</i>	MISS GARST, MISS TOYNE, AND MISS RICE

The Dramatic Club is one of the most popular organizations in school. It is made up of forty-five members. Meetings are held every third Monday evening in the auditorium. At each meeting one or more plays are presented, in addition to talks on drama, make-up, and other features relative to the study of dramatic art. From time to time plays are given at roll call, and at the end of the year a public performance is given. New members are only admitted by special tryouts.

BOYS' GLEE CLUB

Any boy who desires may join this club. They sometimes sing with the Girls' Glee Clubs at commencement and baccalaureate services. Four of the boys are chosen to sing in a double quartet, which also includes four girls. The purpose of the class is to train the voice. At the end of the year, an operetta is generally given. Miss Dunlap, director of the girls' class, also directs this club.

LITERARY ASSOCIATION

OFFICERS

President

BLANCHE HUFFORD

Student Manager

KATHARINE VAN METER

Adviser

MISS COCKRELL

The Literary Association, one of the largest organizations in the school, is composed of all students who buy Literary tickets. The purchaser of one of these tickets, which were sold at a reduced rate, received a subscription to the *Literary Times*, also admission to debating, extemporaneous, declamatory, and oratorical contests. The culmination of the literary season was the Literary banquet, held in the cafeteria. Besides these features, the Literary Association sponsored hops and all school dances several times during the semester.

BOYS' ORATORY

On November 18, six boys were chosen for places on the boys' oratory team. For the second consecutive year Jack Railsback took first place with his oration, "Shall America Go Back?" Robert Oakley won second place with "The Message from Bethlehem," and Woodrow Magnuson placed third, giving "The Martyr President." Three other boys who placed on the team were Glenn Blake, Kenneth Walker, and Herbert Van Meter.

This year, the triangular was won by Rock Island. Moline defeated East Moline, but were defeated by Rock Island, who had also conquered East Moline. Our representative, Jack Railsback, placed ninth in the Boy Nip.

DEBATE

The question for debate this year was, "Resolved, that the several states should enact compulsory unemployment insurance." The affirmative team was composed of Mary Frances Bozeman, captain, and Robert Oakley. The personnel of the negative team was Max Hunn, captain, and Woodrow Magnuson. Alternates were Jenese Lethin and Irene Johnson.

After engaging in several non-decision debates, the negative team defeated the Rock Island's affirmative in the first debate of the Big Nine season. The affirmative team was also victorious in their debate with East Moline. These two victories qualified Moline for the finals of the Big Nine.

Before meeting Galesburg and Kewanee, the team met the Davenport team. Although the affirmative lost by a 2-1 decision, the negative came through with a sweeping 3-0 victory and gave Moline the dual contest.

The affirmative team was defeated by Galesburg in the Big Nine finals, but the negative defeated Kewanee. This put the contest in a three-way tie, as the Kewanee negative had defeated the Galesburg affirmative team. By virtue of their high percentage Galesburg took first, Kewanee second, and Moline third. The percentage for the contest was: Galesburg, 179 points; Kewanee, 178; and Moline, 177.

EXTEMPORE

At the local extemporaneous contest nine students participated for places on the team which represented Moline in the dual contest with Rock Island. Robert Oakley took first place, Woodrow Magnuson placed second, and Mary Frances Bozeman and Max Hunn tied for third place. The other two students who won places on the team were Marceil Lydick and Herbert Van Meter.

The team went to Rock Island for a dual contest where Rock Island was victorious.

The Big Nine extemp contest was held in Kewanee the next week with Robert Oakley as Moline's representative. Robert in drawing for topics chose "The Tax Question," on which he gave his talk. Because of a misunderstanding of the Big Nine rules the winners of the first three places were not decided until May 20, although the three highest were Moline, East Moline, and Rock Island. At the Big Nine meeting May 20 it was decided that first place went to East Moline, second to Rock Island, and third to Moline.

GIRLS' DECLAMATION

Eight girls competed for places on the team which was to represent Moline in the Girls' Local Declamation Contest, Thursday evening, October 22. Marceil Lydick received first place with her reading, "Courage," while Jane Hvitfeldt, reading "Getting Initiated," took second place, and Jenese Lethin, giving "Tommy Stearns Scrubs Up," received third place. This year an unusual thing happened when it became necessary to resort to drawing lots for a place on the team, Betty Nelson and Geraldine Nelson tying for sixth place. Betty Nelson won in the drawing and thereby got a place on the team. The other two girls chosen to form Moline's team were Anna Mae Hemmingson and Shirley Frank.

In the Triangular Contest Moline took second place despite the fact that we lost to both Rock Island and East Moline. Our final rating was better than that of East Moline's. Shirley Frank took first place at Rock Island, but our team was defeated.

In the Big Nine Contest, held in Rock Island, our contestant, Marceil Lydick, received sixth place.

FELLOWSHIP MINSTRELS

On the evening of March 29, the Senior Fellowship Club presented a most enjoyable Minstrel Show. The show was opened by a short sketch entitled, "Spring Beautiful Spring." Col. Rutherford (A. Halberg) is asked to finance a plantation for Squire Deane (T. Oloson), unless he can pay the mortgage. The Squire is willing to marry Melchior (B. Morgen) for the life of his young daughter on the Rutherford plantation. Things square off but Melchior loves Clarence (D. Scott). Things look dark when George (R. O. Lyle), the faithful old butler, plans a Minstrel Show to raise money for his Colonel. Things look even darker as the curtain rises on all the "darkies" dressed in overalls and old clothes. However, no one can stay down for long when once the show gets under way, and even Col. Rutherford is enjoying himself.

The hits of the evening were "Dark Town Strutter's Ball" by L. Olson, "Why Did It Have to Be Me?" by H. Parsons, "You Rascal You" by J. Rice, and "Can't We Talk It Over?" by E. Heipe. Mrs. Rutherford (B. Grossman), a loving wife and mother, also was a "hit" in her—or his—own individual way.

As a fitting climax, the ticket seller rushed onto the stage with the money raised by the Minstrels and gave it to Col. Rutherford. The Colonel then paid the Squire, who stamped off muttering: "Gad—Fined again!" And Melchior and Clarence were in each other's arms as the curtain closed.

SYNOPSIS

The Bents and Bartons have come to California from New Jersey to buy a nut farm with the \$30,000 Bob obtained from selling his stock. Willie Barton has been unsuccessful in becoming a movie director. His sister Helen is bitten by the picture bug and is being kidnaped by Hamilton T. Holland, J. Clarence Biddeford, and Harold Van Horton, who are all after Bob's \$30,000. Willie urges Bob to hurry and buy his nut farm before Helen can interest him in pictures. Bob refuses, and Helen's persistent enthusiasm does get her husband interested. That evening the three "slickers," the Bartons, the Bents, and Ezra Sliscomb and daughter, Agatha, gather in the Bent living room to hear the great "drama," written especially for Helen. The reading is punctuated by remarks from Willie and Sliscomb, who once owned a farm in "Ioway." Willie and Agatha—mutually attracted—devise a plan to make Hamilton T. think Willie is a great director, and he is hired to direct Helen's picture. The evening closed with the group rehearsing the picture. A month later the Bents are "broke" and are planning on returning to New Jersey. The \$30,000 are gone, and so are Willie and Agatha. Suddenly Clarence Biddeford enters and offers Bob \$5,000 for his share of the picture. Then Hamilton T. enters and offers \$10,000. Before Bob can sign any papers, Willie and Agatha disappear. Willie spots Holland's party and gives Bob a check for \$80,000, the amount he sent the picture for, after turning it into a comedy. He also tells the family he is a director now and has a job. Agatha then informs him that she and Willie are "one," and the play ends happily, with Bob again planning his "nut farm."

JUNIOR PLAY

"SKIDDING"

The Junior Club successfully ushered in the 1931-32 dramatic season on December 4 with a very clever and interesting presentation of "Skidding," a three-act comedy by Aurania Rouverol.

OPERETTA

"UP IN THE AIR"

A breezy operetta presented in two acts which promises, as this goes to press, to be the best that Monroe High has witnessed in musical plays.

George Burbank, a big business man, tolerates no one but a young fellow of brawn and daring as candidate for the hand of his daughter Betty, who is already wooed, much to his annoyance, by Harold Post, a young man of just the opposite type.

Burbank's friend, McCullom, a movie magnate, proposes to stage a contest for flying started by a young aviator, Jim Bennett, who has applied for a job in the movies, and offers a prize to any amateur who will make a parachute jump. Jim Carter, Harold's busybody friend, seizes on this as the young man's opportunity to make good, and devises various alibis which will cover his actually going up, while he organizes the contest for bravery. One by one, these alibis fail, and Harold gets more deeply involved.

Finally, he is forced to go through with it in spite of himself, and by a comical series of mishaps to maintain his reputation as a dare-devil, to gain the enthusiastic approval of Burbank, and to win the girl of his choice.

The cast, which is assisted by choruses from the Music department, is as follows:

Betty Burbank	MARCEIL LYDICK	Mrs. Burbank.....	LETHA JONTZ
Harold Post.....	JOHN GILBERT	Henry McCullom....	KENNETH WALKER
Shirley Kingston.....	JANE SCHOFFER	Mrs. McCullom.....	FRANK J. JONES

AFTER-DINNER CLUB PLAY

"LITTLE WOMEN"

Something different in the way of plays was Louisa M. Ault's "Little Women" presented by the A. D. C. girls on February 12. The charming and fashioned stage settings and costumes created an atmosphere of pre-Civil War days which was enhanced by the stately manner and several old songs given between acts.

SYNOPSIS

The plot centers around the four "Little Women"—Meg, the oldest, Jo, the tomboy and writer, Beth, the invalid, and Amy, the youngest, who is both artistically and socially inclined. Mrs. March, the mother, receives a telegram telling of Mr. March's illness. Aunt March, a canty old maid with a heart of gold, and the men friends of the family, Mr. Lawrence, John Brooke, and Laurie, and the Marches all try to cheer Mr. March up. Mr. March is so brave, however, that he is recovering when Beth dies. Meg and John have fallen in love and Jo is heartbroken. She doesn't want Meg to marry and break up the family, and she treats Beth with extreme coldness. Laurie loves Jo, but she refuses him when he proposes. Meg and John are married, but the March happiness does not last, for Beth passes away. Laurie again proposes, but Jo, though not realizing it, is in love with Professor Bhaer, whom she has met at the library.

We next see the Marches two and one-half years later. Meg and John are the proud parents of twins. Amy, having been abroad, and discovering that she has no real artistic talent, devotes her time to Laurie. He returns her love and they become engaged. Jo is now a prominent writer but is still unmarried. Aunt March dies, leaving to Jo "Plumfield," which she intends shall be used as a boys' school. As a fitting climax, Professor Bhaer, in love with Jo, finally proposes (with much prompting from her) and the two are off happily planning their future and that of the boys' school in Plumfield.

athletics

THE COACHES

GEORGE SENNEFF

Head Coach

When Coach Senneff took the position of head coach in 1920, Moline High was very fortunate, for since then the Plow City has

h of Senneff's teams has been su
for, whether it won or lost, for a clean,
hard-fighting team is usually ahead, no mat-
ter what the score may show.

Coach Senneff has also seen many
former Maroon stars go far in col-
leges, bringing honor to him and their Alma
Mater.

WILLIAM BEAN

Assistant Coach

"Bill" Bean has been the football line
coach and assistant track coach since 1920.
He has built many a powerful line that has
given Moline success against heavier oppo-
sition. Also "Bill" starts early in March to
form the nucleus of the track squad that
usually develops into a championship team.

W. HOLMGREN

Athletic Manager

"Winnie" has booked games and m-
fine athletic schedules for the Maroon t-
since 1920 when he entered the portals of
M. H. S. He also guides the destinies
the field house, for it was princip-
through his efforts that it was built. With
Mr. Holmgren as Athletic Manager, Moli-
is a bright athletic outlook for some time
to come.

ROGER POTTER

Assistant Coach

Mr. Potter, the other partner of the sec-
ond teams, came with William Lane two
years ago to help coach the reserve teams.
He has full charge of the reserve basketball
team, which has lost but a half-dozen
games in the last two years.

WILLIAM LANE

Assistant Coach

"Lad," the young blonde, is copartner
of the football second team. With Coach
Potter he has developed winning second
teams which assure good material for the
future varsity teams. He also handles Intra-
mural basketball which has become very
popular among the students during the win-
ter evenings.

THE FOOTBALL PLAYERS

CAPTAIN GUS LARSON

Guard and Tackle

"Gus" wrote himself to one of the most successful football players a player could desire by captaining the team. He played on the varsity for three years, during which time he was selected as an All-State man, a Big Nine player, and was on the All-Quad-City team for two years. Besides being the mainstay in the line, Gus did most of the punting and also carried the ball for substantial gains during his last year.

EDDIE B. ANDERSON

Captain-Elect, Center

"Eddie" displayed a keen sense of leadership during the past two seasons and should make an excellent captain. Although handicapped through injury during part of the season, Eddie played a brilliant game at center, and when he was in the game he was always fighting hard to stave off the opponent. Undoubtedly he will be a strong cog in next year's team.

HENRY PARSON

Halfback

On his chance this year, "Hank" accepted it and made good with the varsity. When called upon to carry the ball, he ripped through the line or passed for gains of many yards. On his off tackle smashes, he usually left desolation in his wake. Many coaches pray for men like Parson.

ALAN HALLBERG

Guard

Alan received his chance with the varsity after the season was under way, and filled the left guard position in a very commendable manner. He was always blocking out the opponents on offense, as well as making them lose ground on defense. He played a very steady and hard game.

BILL BOHMAN

Center and End

Bill started the season as an end, but when Anderson became sick, he took over the center job like a master. His centers were true, as well as his work on defense. Bill was a hard tackler and a scrappy player, and will be missed next year.

FRANK BOGAERT

Tackle

Frank started the season as a tackle, and soon made an enviable record for himself. He soon mastered the fundamentals of football and played a "whale" game all season. He was a powerful man in opening holes for the backfield and should be an important factor in next year's team.

WALLY WIRKEN

End

"Wirks" played his third and final year for Moline in a manner which should not be forgotten. Although not a spectacular player, Wallie never let the opponent gain ground around his end, but usually set them for losses. On offense he was always in there blocking, so that his teammates could gain yardage.

EVERETT AXENE

End

"Ax," as he was called, played right end and received his worth by receiving passes and kicking up the back of punts. He showed up so well that he was named on the All-Quad-City Team.

GRANT SHALLBERG

Halfback

"Bill" was liked by everyone on the team, and he performed very creditably throughout the season. He was a good ball carrier, but his strong point lay in his defensive work, for he was a sure open-field tackler and spelled doom for many of his opponents that came toward him.

HOWARD FARRELL

Fullback

"Mike" was one of the fastest and shiftiest men on the squad. He proved to be the most consistent ground gainer on the team and ripped through the holes made by his interference before opponents could touch him. Mike will be back next year and should do great things for the team.

HARRY NICHOLSON

Guard

Harry played next to Gus Larson and proved to be an efficient blocker and a vicious tackler. Like a veteran, he smeared the plays that came to him, though it was his first year on the varsity. He will play next year and should be bigger and better.

EMERY KASENBERG

Quarterback

Emery was shifted from the line to quarterback, from which position he led the team during the whole season. His judgment of plays was unfailing and when he carried the ball, it was not an easy task to stop him. He will play next year and will be counted on for a large share of the team's success.

THE 1931 FOOTBALL SEASON

With but four lettermen as a nucleus for the 1931 football team, it proved to be one of the greenest teams yet to represent the Maroon and White. However, even though they were pitted against some of the strongest teams in this vicinity, the players fought hard and finished the season with a 500 standing, as well as with the Tri-City Championship.

Each player fought hard and exhibited fine sportsmanship, but the breaks seemed to be against them during the early part of the season, which was opened with Moine meeting a strong conference team. Moine team proved to be such and with the aid of its dusky half back, Chambers, they took advantage of the breaks afforded by the green Moine team, and avenged their last year's defeat by a 12 to 6 victory.

After a week of brushing up, the Maroons traveled up the river to Dubuque where they again met defeat. The score was 13 to 0. Due mostly to the putting ability of Burwanger, captain and star of the Dubuque team, Moine was hardly within scoring distance. But on the night of October 9, a rejuvenated Maroon team met Gaesburg and outclassed them in every department, offensively as well as defensively, to win by a 14 to 0 score.

The team then encountered a streak of tough luck, for on the next Monday because of the breaks of the game, the Maroons had to be content with a tie of 6 to 6 against Kewanee. Many of the squad had been sick during the previous week, but they showed their fighting spirit to emerge with a tie even though they outplayed the Kewanee team during many points of the game.

The next week-end Moine went to Rock Island for the first 1931 Tri-City game, and defeated the Crimson by an 18 to 6 count. The Maroons were superior throughout the fray and were threatened only once by the Islanders. The game was characterized by numerous marches for consecutive first downs by the Maroon backfield.

Destruction loomed up on October 30 when the highly touted East Moine team came to the Plow City and went back victorious for the first time. Through the line-smashing of Geber, the East Enders' star, the Orange and Black proved too powerful and won 6 to 0. The Maroons threatened but twice, once when they blocked a punt on the 23 yard line,

but failed to gain, and the other when a complicated 4 pass play succeeded, but the half ended before they could score.

On the following Saturday the Moline team displayed their best brand of football before former "M" men. They played Peoria Central, who scored two touchdowns by dazzling passes in the first six minutes of play, and then the Maroons came back to outplay them for the rest of the game, but the final score was 13 to 0 in Peoria's favor.

In order to obtain a .500 standing, the team realized they had to win the two remaining games. With this on their minds, they journeyed to Aurora and beat them by a 7 to 6 count. In the victory the Moline line was outstanding, as was Capt. Larson's punting which kept theasers out of scoring distance, then score coming as a result of a 60 yard run for a touchdown on a return punt.

They then returned home to prepare for the Davenport game, and on Teams giving Day our meek Maroon team met the highly touted Davenport team, outplayed them throughout the contest, and won by a 7 to 4 score. Every player on the team played his best game and the Moliners truly deserved to win.

As a résumé, but one thing can be said, and that is that the 1931 team, under Gus Larson's leadership, was one of the scrappiest teams that ever played for Moline. They had a tough schedule, green material, and tough breaks, but they never gave up, and as a reward they beat Davenport thus winning the Tri-City Championship. Only a Moline team could show the fight and sportsmanship that the 1931 team did.

THE FOOTBALL SECOND TEAM

The 1931 Second Football Team, under the guidance of Roger Potter and William Lane, proved to be one of the scrappiest teams in this league. They were always playing hard and clean and were rewarded by winning the Quad-City Championship.

Their schedule consisted of six games, and the Junior Maroons won all but two of them.

Naturally as inexperienced players, they could not be expected to show their best in the first game, and as a result they lost their first encounter at Galesburg by a 7 to 0 score, but with the ensuing weeks of practice, the team became stronger and conquered each of the Quad-City teams by decisive scores.

The only other defeat that marred the team's slate was that of the Lyon's varsity at Lyons, Iowa. The score was 13 to 6.

The season's scores were:

Moline.	0	Galesburg	7
Moline...	7	Rock Island	0
Moline...	13	East Moline .	0
Moline.	6	Lyons	13
Moline.	13	Rock Island	0
Moline...	7	Davenport .	0
Total		46	20

THE CHEERLEADER

Moline was very fortunate this year in having Don McCall as cheerleader. He proved to be the kind of cheerleader who never allows the cheering spirit to die down.

When the call for candidates was sent out, at least a half dozen boys tried out. Of these, three were retained, two of whom dropped out, thus giving the whole job to Don.

Not well known or remembered for his unending spirit, which is necessary for a good cheerleader. Each Monday and Friday morning he would lead the "p" meeting at 8:00 a. m. to give the team a good send-off.

It was also through Don's effort that the student body obtained a cheering section in the Field House balcony.

BASKETBALL

COACH SENNEFF

GUS LARSON

Captain, Guard

That "Gus" was one of the best basketball players yet turned out by Coach Senneff is a statement beyond doubt. Cool, steady, and alert, he guided Mohne's defense with rare skill. Gus was a clean sportsman and brilliant leader, and had few equals in the vicinity.

ALBERT CLEARHOUT

Forward

Clearhout was a fast dribbler and probably the best long-shot tosser on the squad. When long shots were needed "Minnie" proved his worth by sinking one. He was usually high-point man, and should be the team's mainstay next year.

"HANK" PARSONS

Guard

As on the gridiron, "Hank" starred on the basketball floor. His passes to men under the basket led to many points for the team. His defensive work throughout the season was very effective.

WILLIAM HART

Center

"Bill" came to the Maroons in January and immediately became sub-center. His handling of the ball and his defensive work "clicked" with the rest of the team. Bill has two more years to play.

GRANT SHALLBERG

Guard

"Bill" proved to be the hero of many of the early games, but he became the victim of the "mumps" and was kept out most of the season. However, his work in the early games won him a place in the memory of many of the Moline fans.

EDWIN L. ANDERSON

Guard

"dhu" came through with his best game just when needed—against Rock Island. His clever handling of the ball as well as his good defensive work proved him an excellent running mate for Larson.

LEONARD GOAR

Guard

Goar as good helped Moline win many victories, when Capt. Larson was removed. Goar was a good guard with an equally good basket-eye and should be even better next year.

JACK WONER

Forward

"Jack" saw much action, but because of his small stature, he could not keep a regular position. His ability to drive in on center jumps and also to get the ball in follows helped the team out of many tight spots. He will be with the team for the next two years.

EMERY KASENBERG

Forward

"Emery" proved to be a scrappy fighter and a good floor man. Although he was out of the early games, he played more as the season continued and was a dependable scorer in the later games. He should be a valuable man next season.

FRANK BOGAERT

Center

This was Frank's first year on the Maroon varsity and he made an enviable record. He was able to play guard as well as center and was especially dangerous on follow-up and tip-in shots around the basket.

RICHARD BRADY

Forward

"Dick" proved to be a scrappy, hard-working forward. He was a good defensive player and a reliable scorer and filled in many times when he was needed. He will be lost by June graduation.

SECOND TEAM BASKETBALL

This year's reserve team upheld the successful record established by last year's five, by winning all but two of its games and conquering the Quad City Junior title. The team is composed mostly of Sophomores and Juniors, and with such brilliant young players Coach Sennell should have plenty of good material for the future.

The Junior Maroons played the second teams of each of the schools that the varsity met, and proved victorious against every team except the Viola varsity, which they met twice. Each time the Moliners put up a hard fight, but Viola had an excellent team and was not in their class.

One victory that will be a lasting memory was that against the Coal Valley first team. Although the Miners had the advantage in height, the small Maroons seemed to go between and under the big fellows to pile up a 31 to 12 score.

THE 1931 TRACK TEAM

The track team of 1931 had one of the most successful seasons ever experienced by a Moline team. Although the lettermen were few, the team developed quickly, and after their first meet, they were a majority of the meets in fine shape.

The team was captained by Felix Rogenski, who proved a consistent point-getter in every meet. Besides Captain Rogenski, the team had another outstanding star in Kenneth Esterdahl, who finished his career by copping close to 150 points for the team.

Eight new Moline High School records were some of the accomplishments of the team. Rogenski started things by breaking his own record in the shot and the discus. Kenneth Esterdahl smashed his high-hurdle mark, and Alvin Andrews soared to a new pole-vault record, which he broke several times during the season.

Francis Hart broke the 440-yard record, and Grant Shallberg bettered the broad-jump record, while the half-mile and the mile relay teams provided the other records.

The squad opened the season with Davenport, but lost when they were out-dashed not fast enough to beat Davenport's team for second place. On the following week-end Moline won from East Moline in a dual meet and continued in the same stride by copping the Triangular Meet from Rock Island and Galesburg the following Saturday.

Following the Triangular Meet, Moline piled up 69 points to cop the Big N title and followed up by taking the District Meet in order to send a good team to the State Meet. During the week-end of May 15th and 16th, the team headed for Chicago and proved its strength by collecting five points against very keen competition. The meet was won by Oak Park with 17 points.

After the State Meet Moline vanquished Rock Island in a dual meet at the Rock Island Stadium and came home to finish the season by placing second to Davenport in the Quad City Meet, which was the first nocturnal contest in this vicinity.

ATHLETIC ASSOCIATION

OFFICERS

<i>President</i>	HENRY PARSONS
<i>Vice President</i>	WALTER WIRKEN
<i>Secretary</i>	PHOEBE DOUGLASS
<i>Manager</i>	MR. HOLMGREN

The Athletic Association is the largest and oldest organization in school. Founded more than thirty years ago, it has grown in both strength and importance until it is now the leading organization of the school. Any purchaser of either football or basketball season ticket is considered a member. The organization, under the direction of Mr. Holmgren, sponsors all boys' athletics, including varsity and interclass sports.

The representatives from the four classes on the board of control are as follows:

January, 1932	WALTER WIRKEN
June, 1932.....	HENRY PARSONS
1933	EMERY KASENBERG
1934	PHOEBE DOUGLASS
Adviser	MISS DAY

GIRLS' ATHLETIC ASSOCIATION

OFFICERS

<i>President</i>	ETHEL NORRIS
<i>Vice President</i>	EVELYN LUND
<i>Secretary</i>	MARJORIE ERICKSON
<i>Treasurer</i>	URVA MORRIS
<i>Advisers</i>	MISS McEEROY, MISS ALMA DUISDECKER

All girls are eligible for membership in the Girls' Athletic Association and may take part in interclass basketball, captainball, volleyball, tennis, soccer, and other activities of the club. A "point system" enables the girls to win a G. A. A. bar or letter, these points being rewarded upon fulfillment of certain requirements. Upon winning 100 points a bar is given and after five bars have been earned, a pin is awarded. Every girl who gains eight bars or 800 points is awarded an "M". Sport activities of each class are supervised by a captain elected from the class. The following girls acted as class captains the past year:

1932 .	BARBARA HARPER
1933 .	RUTH ALLEN
1934 .	VIRGINIA NEWBERG
1935 ..	ELLEN MERGENDOLLER

GIRLS' BASKETBALL TOURNAMENT

Each year the Girls' Athletic Association sponsors the Girls' Basketball Tournament at the High School. For the last few years, the games have been played under the girls' rules and although these rules tend to slow up the game, this year's teams played a fast and better brand of ball than the former teams.

From the first game until the last in the tournament, the teams gave their best to make the tournament a success and tried to bring victory to its own side.

In the first game the 31's met the 32's and the experienced Juniors easily beat the green 31's by a 54 to 12 score. To eliminate the 31's, the last year's champs, the 32's beat them in the next game by a large margin.

The finals between the Seniors and Juniors proved to be the most exciting affair yet witnessed in the school gym. The Juniors were leading their opponents throughout the last half, but suddenly the Juniors reacted to tie the score as the game ended.

The teams wanted to play off the tie then and there, but the rule book states that in the case of a tie, the tie should be played off at least a week later. The game was played on the night of April 7.

On that occasion the Juniors proved their right to the championship by piling up points, and it appeared that the game might be a run-away, but the Juniors fought hard to keep the final score close. The score was 27-22 in favor of the Seniors.

The all-tournament team consisted of

Erzinger '32.....	Center
Lusty '32.....	Forward and Capt.
Erickson '33.....	Forward
M. J. Kirk '33.....	Guard
Coulter '33.....	Guard
Brown '33.....	Guard

GIRLS' VOLLEYBALL TOURNAMENT

The Girls' Interclass Volleyball tournament was run off on November 23 and 24. Because of the new school system, there were but three teams entered. The tournament was very close from start to finish and proved very successful.

The first game was between the Sophomores and Juniors. Both classes presented ab teams, but the 34's emerged as victors, having won a total of two games out of three.

All three games were close. The 33's came back in the second and third games and won them both, which enabled them to meet the Seniors for the championship.

In the first match the 32's won, 15 to 11, but the 34's took the second game to even the series. In the last and final game, the 32's fought with renewed zeal and won, 15 to 11, to capture the championship for the second consecutive year.

Volleyball is rapidly advancing as a girls' sport and should continue to gain popularity and prominence at Moline High.

THE 1931 CLASS BASKETBALL TOURNAMENT

The 1931 Class Basketball Tournament was delayed until the first week of the Christmas vacation. This proved a handicap in several ways, for usually the tournament is held before the start of the varsity basketball practice and everyone but the letter-winners are allowed to participate. This year, because the season was under way, the players out for the High School teams were unable to play, thus the Sophomores and Juniors lost several good players.

However, the players fought hard and clean and the games were very interesting.

In the heavyweight division, the 33's met the 34's in the first games. The 33's had larger players and proved more than a match for the lowly 34's and ran through them for a 46 to 8 score.

The second game proved a thriller, as the 33's held a 17 to 9 lead over the Seniors at the half, but the Seniors managed to forge ahead in the final minutes to win by a 29 to 20 count.

Again the 33's met the 34's in the consolation match to determine the one who would play the finals against the 32's, and again the Juniors dribbled over their opponents for a 36 to 16 victory.

In the finals the Seniors had an "on" day, for each member of the team was hitting the "hoop" for points, but the 33's held them to a 30 to 23 score.

THE BOYS' LIGHTWEIGHT TOURNAMENT

One disadvantage of the 1931 tournament was that only three teams could participate, since there were no Freshmen in the Senior High. Another disappointing feature was that the students did not turn out for the matches in as large numbers as in former years, which can be attributed to the fact that the tournament was held during vacation.

The lightweight tournament proved to be a close affair with the experienced Seniors winning out. They were counted upon to win, but there were many scores thrown at them along the way to victory.

In the first game the 34's proved a menace to the 32's, and after the 32's had gained a substantial lead in the first half, the 34's came back to keep within three points of the lead. The final score was 30 to 27.

The 33's then played the Seniors and led them throughout the first half, but the 32's again showed their power by rallying to win by a large margin, 26 to 11.

In the consolation match, the 34's downed the 33's by a large score and then played the 32's in the finals.

The Seniors lost three men because of overweight, but the remaining players guarded closely and led from beginning to end to win the championship by a 28 to 14 count.

SOCIETY

The social season of the past year has been one of the most successful and complete of any that has gone before.

The Literary Association started the activities of the year with a matinee dance on September 30. Approximately one hundred and fifty students enjoyed the tunes of Ben Miller's orchestra and the savouriness of Eskimo pies, sent by Blanche Hatford. The '32 class was well represented as its members were admitted free because of its winning first place in the Literary ticket campaign.

During October the 1933 class staged their first party, and the 1934 class sponsored a very successful barn dance.

On November 20 the Seniors gave one of the best parties they have ever sponsored. Not one dull moment was experienced by anyone of the hundred students in attendance. A new feature—a talky comedy—was presented in 207 before dancing, budge, and bunco started in the Gyn.

The Sophomore class entertained Santa Claus, in the person of Frank Myers, on December 12, and thoroughly enjoyed seeing the good Old Saint again.

The first party held at Allendale was given by the Junior class on January 24. A large crowd attended the affair and enjoyed a novelty program given between dances. This event was followed by a Valentine party given by the '32 class on February 13, and a St. Patrick's party on March 11 for the Sophomores.

The girls of the January division of the graduating class held a party on February 6 at Allendale. The evening was spent playing such games as "Going to Jerusalem," "Old Maids' Home," and anagrams. The party was such a success that Esther Kropp was elected to plan a similar one for next year. Mrs. Van Meter and Miss Kerns were the chaperons, and Katharine Van Meter acted as chairman.

On April 9 and May 27 the Literary Association put on all-school dances in the form of Depression Dances—no new clothes present. These all-school parties were a new addition to the social activities of the school and were well received by the student body.

On May 6 the Seniors held their final party of the year, the A. D. C.—Follows up dinner dance. A large crowd was in attendance to enjoy the affair.

Amid the beauty and attractiveness of a Japanese garden the Juniors entertained the Seniors at the annual party on May 14. A variety program was presented by the Rae Studios of Davenport. A special feature of the evening was Lillian Carr, a member of the R. K. O. circuit, who danced and sang. The music for the evening was provided by Tromsen's Melody Boys. The chairmen of the affair were Mary Jane Kirk, Phyllis McDannell, and Wallace Hellberg.

OUR ADVERTISERS

The following pages feature the advertisements. We, the "M" staff, wish to take this opportunity of expressing to those who, though confronted by necessary economies, nevertheless have so generously assumed a share in the responsibility for making this annual a success. They have thus given proof of their interest and continued loyalty to the Moline High School.

We urge that all readers of this annual become patrons of our advertisers.

Board of Education

The people of Moline have always supported their schools and all activities of the schools with money and with personal interest. The early introduction of physical training, kindergartens, manual arts work, home economics, the commercial branches, and visual education bears witness to this fact. The establishing of the junior-high school system is a very recent manifestation of this desire on the part of the people of Moline that the young people of Moline shall have the best possible school opportunities. The John Deere Junior High School Building, beautiful and complete in its equipment for the work of instruction, fittingly embodies this spirit.

To you of the graduating classes, who have enjoyed these opportunities, we confidently look to advance in every way the interests of our city as you go from school into the business, industrial and professional life of this community. And we ask you to provide in your turn similar advantages for those who succeed you in these schools.

BOARD OF EDUCATION OF THE MOLINE PUBLIC SCHOOLS

Friday, 16. Kewanee ties with us, 6-6.
Monday, 19. Literary campaign still going on with full force.

Thursday, 22. Girls' Local Declamation contest. Marceil Lydiek winner.

Friday, 23. Commemoration of Thos. A. Edison.

Friday, 30. East Moline 6, Moline 0. Wow!

NOVEMBER

Monday, 2. First issue John Deere Line O' Type.

Tuesday, 3. Trial of the new yells.

Wednesday, 4. We finally get our new goal posts that E. Moline tore down.

Thursday, 5. "M" campaign starts with much force.

Friday, 6. Junior play cast announced.

Saturday, 7. "M" Men's day—no parade.

Monday, May 9. Educational week.

Tuesday, 10. Health talk in roll call.

Wednesday, 11. Armistice Day—also pay day at the book exchange.

Thursday, 12. A. D. C. banquet.

Friday, 13. "Macbeth" given in auditorium. Not bad.

Saturday, 14. Moline 7, E. Aurora 6.

Monday, 16. Orders taken for A. D. C. pins.

Tuesday, 17. Members from Moline go to Urbana for all-state chorus.

Wednesday, 18. Railsback heads Boys' Oratory.

Thursday, 19. Press Convention also in Urbana.

Friday, 20. L. O. T. places third in contest, '31 "M" gets fifth.

MEANS HIGHEST QUALITY

Just think of the extraordinary power of the true meaning of that word
—**Quality**—notwithstanding its centuries of abuse!

That true meaning of 'Quality' is imperishable and its true value still incalculable. A little more courage, consistency, sincerity and candor, applied to the re-education of the public in that true meaning, and the vera of the word 'Quality' would blossom again in the public mind.

For women at least, really never forget that 'Quality Pays'—and really never are unwilling to pay for what they want of true quality, in whatever phase of worthy merchandise—where they are convinced that it is the Real Thing at a fair price!

Tuesday, 8. Football heroes are given another banquet. This time at the Le-Claire.

Wednesday, 9. Buy "M" now.

Thursday, 10. Football "M's" are awarded.

Friday, 11. E. Moline beat Moline in first basketball game.

Saturday, 12. Rain!

Monday, 14. Snow!!

Tuesday, 15. Ice!!! More like it.

Wednesday, 16. A. D. C. tryouts—Wennerberg Chorus from Augie sing in roll call

Thursday, 17. Dramatic Club play. Oakley stars as father.

Friday, 18. Glee clubs present Christmas program.

Saturday, 19. Vacation from now on!

Thursday, 31. Davenport 18, Moline 20. Not bad, eh?

JANUARY

Monday, 4. "All students must be vaccinated" is the war cry.

Tuesday, 5. Start the leap year right, girls! There is nothing like the present.

Wednesday, 6. Buy annual now!

Thursday, 7. Fellows look pretty good in their new "M"

Friday, 8. Hurrah! Moline beats Kewanee 27 25

Saturday, 9. Moline 25, Orion 40. Oh, well...

Monday, 11. Fellowship meeting. Minstrel tryouts.

Tuesday, 12. After Dinner Club meeting

Wednesday, 13. Senior class day practice.

Gas and Electric Service

Where will the family dollar bring you greater comfort and convenience than when used for gas and electricity?

At the touch of a switch or the turn of a gas valve, gas and electric servants instantly leap to serve you. Some of these servants such as the electric refrigerator and self-action gas water heater go on serving you automatically and dependably day in and day out, hour after hour without so much as a thought on your part.

Use these services freely to secure more health and happiness in your home.

PEOPLES POWER COMPANY

Call Us

AN APPRECIATION

We appreciate the efforts of the 1932 Annual Staff to create this book against obstacles that few former staffs have had to meet.

And the results herewith produced should win the commendation of all.

We appreciate too, the many students that have been faithful to us and assisted the official photographer to do his part.

We thank you for what support you have given us and you can rest assured that we are ever willing to meet you more than halfway in providing you with real photographs whenever the occasion may require.

Our service is complete and we can care for your needs in Portraits, Commercial photographs, Kodak work, or framing.

And may the future hold for you that happiness and success in life that you so justly desire.

Sincerely,
C. W. ROOSINE.

Tommy—There's a girl at our school,
mamma, they call "Postscript." Do you
know why?

Mamma—No, dear

Tommy—Because her name is Adeline
Moore

Small boy (just home from school)
—Papa, what does "gozinto" mean?

Father—I don't know, my son. Where
did you hear that word?

Boy—At school. I heard the teacher
say: "Six gozinto twelve twice."

The man who once most wisely said,
"Be sure you're right, then go ahead,"

Might well have added this, to-wit.
"Be sure you're wrong before you
quit!"

"No Plow Will Work" They Said

A LONG train of ox-drawn emigrant wagons creaked past; one of many such trains that passed every day.

As far as the eye could see the pioneer trail was marked by a cloud of dust. Settlers were pouring into the old hunting grounds of Black Hawk's Sack and Foxes—settlers from New England and the Middle Atlantic states, augmented by members of the second generation of pioneer farmers who had settled Ohio and Indiana.

It was an amazingly beautiful and fertile country; for miles and miles on either side of the trail the rolling prairie extended, a green, wavy sheet of land which tempted the travelers to end their long journey and make their home.

But the emigrant wagons passed on on toward the timber lands. From earlier pioneers the word had passed back to the eastern states: "Beware of the prairie lands. In the timber lands building material, fuel and fencing are easy to get. In the prairie lands no plow will work after the first breaking."

No plow will work—that was warning enough for every pioneer seeking to establish a farm. One might well afford to haul logs for miles to a farm on the rich prairie, but how could one farm where a plow would not work? So the

wide reaches of timber along the large and small streams rang with the "chick chuck" of the axe and droned with the hum of the saw, as pioneers established their homes, while the primeval silence pervaded the prairies.

What a change was to come within a few short years! Already the

problem of plowing the black prairie soil. From early in the morning until late at night he was busy at his anvil making the steel plows which he had invented. Soon his new industry was to expand into larger and larger John Deere factories, producing in great quantities plows that scoured. Then the once spurned, rich prairie soil came into its own as the world's greatest producer of food for mankind.

The prestige gained and held by John Deere plows up through the years of America's great agricultural development applies today to the complete line of John Deere farm equipment, prestige due to continued growth of the long established belief among farmers that a John Deere gives much more than a dollar's worth of performance for every dollar spent in purchasing it.

JOHN DEERE FARM EQUIPMENT

Leader in Quality for Nearly a Century
